Hui Lynda-

I apologize for the delay in my response. You can add my cell phone (775) 781-7395 if after hours, 24 hour contact is desirable.

Thanks.

Dave Friedman

**Subject:** Confirming contingency plan/ contacts

All,

As you know we have a contingency/monitoring/ plan with a call out tree in place at Leviathan Mine Superfund Site.

In light of the upcoming work in the Beaver pond area planned for later this summer, I'd like folks to please review and provide any updates to the phone tree—by end of day tomorrow.

Thanks! See attached,

Best Regards,

Lynda Deschambault

Environmental Scientist

USEPA Region 09

(415) 947-4183

Please be advised I may have limited access to email , therefore please be patient with any communication delays.
